INTERNATIONAL STUDENT FINANCIAL INFORMATION

Enrollment/Reenrollment Fee - This fee is non-refundable and non-transferable - $300

SEVIS I-901 Fee – International students who plan to study at Horizon Christian School are considered as an F-1 status. All F-1 status students are mandated to pay the I-90 fee to the government (U.S. Immigration and Customs Enforcement) toward the support of the Student Exchange Visitor Program (SEVP). This must be done before your visa appointment with the American Consulate. Please visit this web site for more information and to pay this fee. http://www.ice.gov/sevis/i901/index.htm.

International Tuition – This fee includes grade level activity fees, one sports fee, and yearbooks for either middle or high school students. TOEFL/IELTS testing one time each year for all students.

Medical Insurance – All students are required to have medical insurance.

Host Family Placement Fee for returning students – This $200 fee covers the host family application process, and administration fees for returning students. This fee is waived if a student has made arrangements with their own host family. If a student chooses to move to another host family, an additional $200 fee will be charged.

Host Family Stipend – This fee is paid to the school for a 10 month period. The school will issue the money appropriately to the host family.

New Student Orientation Fee – All new high school students are required to attend this orientation. Orientation usually approximately 10 days and will held at the high school campus. During orientation students take placement tests, meet with teachers and other fellow American students. It allows new students to get prepared for class as well as meet new friends.

ESL Support – For students who need additional English support, ESL Bible & Culture is offered for the first year. Each student is evaluated on an individual basis during orientation to determine if ESL support is needed.

OTHER FEES

TOEFL/IELTS Test – One TOEFL/IELTS test per year is included in the registration fee. Students will need to pay an additional fee if they take more than one test per year.

Incidental Fees – Incidental fees are fees charged to students for circumstances of damaged or lost books/school materials or damage to the school property.

Promotion and Graduation Fees- 8th grade promotion fee is $50. 12th grade graduation fee is $150.

Sports Fee – One sports fee is included in tuition. Students participating in more than one sport will need to pay $150 for middle school and $300 for high school, for each additional sport. This fee will be paid to the athletic department.

Postage/Handling Fee – For students requesting a yearbook mailed to their home country, there will be a required postage fee that needs to be paid to the school. This fee will depend on the U.S. Postal service international shipping rates for that country.

Lunch Fee – There is no hot lunch program offered at Horizon Christian School. At the high school a student store is available to purchase some convenient food.

MAKING PAYMENTS

Two choices are available for tuition and fee payments:

1. Full payment due by August 1st
2. Semester payments:
    - 1st payment due by August 1st
    - 2nd payment due by January 1st

Students may not participate in class if tuitions and fees are not paid. Once a student begins class, tuition for that semester is not refundable.

Tuition and fee payments can be made to Flywire at: www.horizon-christian.flywire.com
