Loyalty Discount Program

Horizon offers a Loyalty Discount towards a high school student's tuition if they maintain continuous enrollment at Horizon for at least two consecutive years prior to entering the 9th grade. For every two consecutive years your student remains with Horizon, you will earn \$500 off your student's tuition beginning as a freshman.

The Loyalty Discount only applies to families who are **not** already receiving other discounts (except multi-student and single payment discounts). The program will stop accruing discounts once your student(s) enters high school. However, the Loyalty Discount will continue each year your student remains in the high school. This discount will be applied automatically to qualifying students.

Financial Aid Variable Tuition Program

Our Variable Tuition program is a needs-based tuition assistance program that adjusts tuition for qualifying families based on financial need. The tuition discount a family may be awarded is determined by FACTS Financial Aid, a third-party financial assessment company.

The Variable Tuition award may be a tuition discount up to a maximum of 35% off the full tuition rate. See the Tuition Range at the left for the full or highest tuition rate and the lowest tuition rate possible with a Variable Tuition award.

Variable Tuition discounts are applied prior to any general discounts for which a family may qualify. For more information, see our website at horizonchristian.school, click Admissions > Kindergarten - 12th Grade > Variable Tuition - Financial Aid.

Please note: Returning families must complete the Variable Tuition application process no later than June 1st, 2025 to be considered for a tuition discount.

New families must complete the Variable Tuition Application process no later than June 1st, or within 30 days from submitting your enrollment, to be considered for a tuition discount.
