

What is a Hawk Heritage Giving Society Member?

Established in 1980, Horizon Christian School has a rich history of...

- academic excellence
- athletic accomplishments
- spiritual formation
- community service

For over 40 years, Horizon Christian School has been serving families in SW Portland; educating and equipping students (K-12) to succeed at every level of learning. Hundreds of families and thousands of students have experienced the Horizon Christian difference.

In November of **2006 Horizon Christian High School was added**. Since then, we have had **450 graduates** with a **99% graduation rate** and with **90% of our students pursuing a college degree**.

Whether in their classrooms, athletic teams, performing and visual arts, or serving in the community, Horizon Christian students strive to do and be their best. We are an educational community where students are valued, treated with respect, and encouraged to do the same with others. The life and teachings of Jesus Christ informs our culture and our community. Our calling is to be a place ***Where Everybody is Somebody and Jesus is All***.

Horizon Christian School has a compelling history of accomplishments. However, in order to fulfill our mission and maximize our IMPACT in the lives of current and future students, we must continue to lean forward, faithfully steward the resources God provides, and seize opportunities to develop our facilities, faculty, and programs.

Tuition covers approximately 80% of the real cost of education. Fundraising efforts, such as our annual Hawk Heritage Fundraising Breakfast and Hawks Rising Fundraising campaign helps bridge the financial gap. Additionally, a large portion of the gap has been filled by the generosity of Horizon Community Church.

Our mission to; **“Build a Great Christian School That Glorifies God”**, compels us to pursue sustainable funding so that we can continue to do the good work of developing each Horizon Christian student. To that end, in the **Spring of 2010, the Hawk Heritage Giving Society was established** as the cornerstone of our sustainable funding efforts.
