Tuition Range

The high tuition range represents tuition costs for the year. The low tuition range represents a possible 35% discount if a family qualifies for our needs-based Variable Tuition financial aid program.

Grade	Highest	Lowest
Kindergarten Must be 5 years old by 9/1	\$8,175	\$5,325
Elementary Grades 1-5	\$9,795	\$6,375
Middle School Grades 6-8	\$10,850	\$7,050
High School Grades 9-12	\$13,795	\$8,925

Financial Aid Variable Tuition Program

Our Variable Tuition program is a needs-based tuition assistance program that adjusts tuition for qualifying families based on financial need. The tuition discount a family may be awarded is determined by FACTS Financial Aid, a third-party financial assessment company.

The Variable Tuition award may be a tuition discount up to a maximum of 35% off the full tuition rate. See the Tuition Range at the left for the full or highest tuition rate and the lowest tuition rate possible with a Variable Tuition award.

Variable Tuition discounts are applied prior to any general discounts for which a family may qualify. For more information, see our website at horizonchristian.school, click Admissions > Kindergarten - 12th Grade > Variable Tuition - Financial Aid.

Loyalty Discount Program

Horizon offers a Loyalty Discount towards a high school student's tuition if they maintain continuous enrollment at Horizon for at least two consecutive years prior to entering the 9th grade. For every two consecutive years your student remains with Horizon, you will earn \$500 off your student's tuition beginning as a freshman.

The Loyalty Discount only applies to families who are **not** already receiving other discounts (except multi-student and single payment discounts). The program will stop accruing discounts once your student(s) enters high school. However, the Loyalty Discount will continue each year your student remains in the high school. This discount will be applied automatically to qualifying students.

Please note: Returning families must complete the Variable Tuition application process no later than June 1st, 2023 to be considered for a tuition discount.

New families must complete the Variable Tuition Application process no later than June 1st, or within 30 days from submitting your enrollment, to be considered for a tuition discount.
