Conference 2026 Results

# A STORY OF

# TRANSFORMATION

This year, 27 Horizon Christian DECA members traveled to Portland to compete at the Oregon State Career Development Conference. Students participated in events ranging from Marketing Communications, Business Finance, Entrepreneurship, and so much more.

Over the course of the conference, 1300 Oregon students completed role-plays, prepared presentations, and networked with business professionals from across the state.

## 2026 Horizon SCDC Competitors

I am incredibly proud of the effort, preparation, and professionalism our students demonstrated throughout this conference. Competing at this level requires months of preparation, resilience, and confidence.

Our students represented Horizon Christian with excellence both in competition and in character. Thank you to our families, school administration, and community supporters who make opportunities like this possible.

We are excited to continue building momentum as we prepare for next year's chapter growth.
