

PROGRAM OVERVIEW

Our International Student Program (ISP) exists to provide a formal education that excels at expediting the English immersion process. It is our goal to place international students in all mainstream courses by their second year. We are a college prep school and we work with students to help them succeed at Horizon Christian School as well as preparing them for University.

We understand International students are new to the American culture therefore we strive to partner with each individual student to have great success through:

- A weeklong orientation
- Weekly review of each student's progress
- 30-minute monthly student assessments
- University preparation guidance
- Daily access to ISP Director

TUITION & FEES
